

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED GAS)	
ADJUSTMENT FILING OF EQUITABLE)	CASE NO. 92-326-T
GAS COMPANY)	

O R D E R

On April 12, 1993, in Case No. 92-326, the Commission approved certain adjusted rates for Equitable Gas Company, a division of Equitable Resources, Inc. ("Equitable"), and provided for their further adjustment on a quarterly basis in accordance with its gas cost adjustment ("GCA") clause.

On January 8, 1998, Equitable filed its GCA to be effective February 1, 1998 through April 30, 1998.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. Equitable's notice of January 8, 1998 proposed revised rates designed to pass on expected decreased wholesale gas costs to its customers. Equitable's proposed expected gas cost ("EGC") is \$5.2507 per Mcf, which includes a surcharge component of 80.54 cents per Mcf relating to the settlement of Kentucky West Virginia Gas Company Docket No. TQ 89-1-46-000, et al. before the Federal Energy Regulatory Commission.

2. Equitable's notice of January 8, 1998 set out a current quarter actual adjustment ("AA") of 1.26 cents per Mcf to collect under-recovered gas cost from July, August, and September 1997. Equitable's total AA of 45.22 cents per Mcf reflects the current under-recovery as well as over- and under-recoveries from previous quarters.

3. Equitable's notice set out a current quarter balancing adjustment ("BA") of (2.12) cents per Mcf. Equitable's total BA is (2.89) cents per Mcf.

4. These adjustments produce a revised gas cost recovery ("GCR") rate of \$5.6740 per Mcf, .88 cent per Mcf more than its prior GCR rate.

5. The rate adjustment in the Appendix to this Order is fair, just, and reasonable, in the public interest, and should be effective for final meter readings on and after February 7, 1998. Equitable did not give the 30 days notice required for rates to be effective February 1, 1998.

IT IS THEREFORE ORDERED that:

1. The rates in the Appendix to this Order are fair, just, and reasonable and are effective for final meter readings on and after February 7, 1998.

2. Within 30 days of the date of this Order, Equitable shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 11th day of February, 1998.
